Pink & Green Gala 2011

Frances Parks, Chair

The 2011 *Pink & Green Scholarship Gala* is fast approaching and we need your support and patronage. This scholarship event raises needed funds to assist Baltimore high school graduates offset their out of pocket costs for college tuition and books.

The 2011 *Pink & Green Scholarship Gala* will take place on June 18th at Martins West Baltimore, Maryland from 8pm – Midnight. We are asking for your support of this event by either becoming a corporate sponsor, donating a “top notch”

item to our *Pink & Green Scholarship Gala Silent Auction*, placing an ad in our souvenir journal, or purchase of gala tickets. Select one, two, or all methods for supporting the continual learning opportunities for our local college bound youth.

This academic year, according to the newly released Maryland Higher Education Commission 2010 Data Book, the average cost of tuition for students in the Baltimore Metropolitan area is

\$169 per credit for Community Colleges and \$6,444 for full time students attending public four-year institutions with at least 12 credits. Given these figures, I don't have to tell you of the hardship educational costs place on families already struggling through hard economic times. Please partner with us, in giving these families and students a helping hand. Join us in our continued effort and mission to support eager learners with their educational pursuits by becoming one of our premier *Pink & Green Gala* financial donors. Strategic Planning 2011-2014

Tonja L. Ringgold, Chair

Strategic planning is an organization's process of defining its strategy, or direction, and making decisions on allocating its resources to pursue this strategy, including its capital and people. It's is the formal consideration of an organization's future course.

All strategic planning deals with at least one of three key questions: "What do we do?" "For whom do we do it?" and "How do we excel?"

The Epsilon Omega Foundation will be

engaging in a strategic planning process that will result in the development of new goals and objectives. For the next three months (February, March & April) foundation members will be asked to provide their feedback on the condition of the foundation by way of a SWOT analysis (Strengths, Weaknesses, Opportunities, and Threats).

In April, the Epsilon Omega Foundation will hold a retreat to consolidate the thoughts of the membership through the

construction of a strategic plan. Anyone interested in serving on the strategic planning retreat committee should contact member Tonja L. Ringgold at 410-627-6743 or by email at aka.lad82f@aol.com.
